## EXPECT FAST TIME IN RACE

(Associated Press)

THE PAS, Manitoba, Feb. 15.—Fast time should be a feature of the fourth annual Hudson Bay Dog Derby, to be held from here to Flin Flon and return, a distance of approximately 200 miles, for a purse of \$2500, March 1. The Alaskan method of racing has been adopted by the "mushers," and already a great improvement in the speed of the teams has been noted in the preliminary trials. What was thought to constitute a record when Goynes, the derby winner of 1920, covered 100 miles in 19 hours and 14 minutes, has been beaten by a team of nine huskies which covered 50 miles in 5 hours and 14 minutes. This is three miles an hour more than was possible under the old single-file system of harnessing, when barely seven miles an hour could be made. This year a light racing harness and sled and the harnessing of two dogs abreast instead of the hitherto single-file with a heavy harness and a carriage of considerable weight, is in vogue. The new sleigh weighs under 25 pounds and the total weight of the harness for 13 dogs will not average more than a half a pound to a dog.

## FORMER RINK IS NOW A MARKET
